Community Spotlight

A special thank you to **Lily Wong** for helping prepare our Alameda County Fair outing.

She spent a great deal of time researching the fair, organizing our suggested itinerary, finding maps, gathering social stories, and collecting helpful resources.

Our group is successful because parents share their knowledge and help one another. Thank you, Lily!

Our Goal

By meeting before the outing, we hope families can arrive feeling more prepared, more confident, and less overwhelmed.

We look forward to making memories together next week!
